

Campus Project Overview

PHASE I – GET IN THE HOUSE!

Vision: In order to get into our new location for the beginning of the 2017-18 school year, we must finalize the property purchase and, over the course of just a few short weeks, perform basic updates and acquire all necessary furnishings.

Financial Need: \$350,000

- \$200,000 by July 1 for down payment *[Complete!]*
 - We are so encouraged that this need has been met by generous lead gifts!
- \$150,000 by August 1 for basic startup needs (signage, paint, floors, furniture)

Practical Opportunities to Participate:

- Pray** Please pray that God will continue to meet all our needs and bring investors who believe in Valor as we move quickly to prepare for the 2017-18 school year.
- Give** Please help us meet our basic move-in needs by August 1. Charitable contributions can be made online at valorprep.com/give, or by contacting Headmaster Jared Nazarian at Jared.Nazarian@valorprep.com.
- Serve** Campus work days (Cleaning, beautification, assembly... Dates coming soon!) If you have any special talents that could help with this summer's work, or if you would like to join the Campus Fundraising Committee, please [contact Jared](#).

Updates: Jared will send regular campus and financial updates throughout the summer. Keep up with our progress on [Facebook](#) and at valorprep.com/about/campus.

PHASE II – MAKE THE HOUSE A HOME

Vision: During the summer of 2018, we plan to renovate the property for long-term use. We believe strongly in owning our property and improvements outright in order to reduce operating expenses, keep tuition down, and to ensure financial stability.

Financial Need: \$900,000 by May 31, 2018

- \$425,000 for permanent renovations
- \$475,000 to repay property loan

Campus Campaign:

- More information coming this fall
- Multiple fundraising opportunities
- Sharing your Valor story with friends and family
