

Dear Valor family,

We have been humbled and amazed at the way that the Lord has blessed Valor over the last four years. When we sensed God's invitation to start this journey back in 2013, we believed that God's plans for Valor were special. However, we could not have foreseen how so many families would rally together in community with the same passion for education and discipleship.

God has established Valor in Waco for his glory. Psalm 127:1 says, "Unless the Lord builds the house, those who build it labor in vain." Valor is the Lord's, and everything in it. We are as dependent upon Him today as we have ever been before.

As we reflect on the last few years, we are incredibly thankful for Redeemer Presbyterian Church and Victorious Life Church, who graciously provided space for Valor during its formative years. As you have already heard, we look forward now to taking a *major* step forward as we secure a permanent home.

Attached to this letter you will find the basic outline of our two-phase plan to purchase and renovate the property located at 4600 Sanger Avenue, formerly home to Texas Christian Academy. We have great confidence that He who began this good work will carry it on to completion, and that the Lord will fulfill his promise in Philippians 4:19 – to meet all our needs according to the riches of His glory in Christ Jesus. In fact, we have already received lead gifts for the campus project totaling more than \$200,000!

Founding Valor has been one of the most challenging and rewarding adventures of our lives. The journey has required more than we would ever have guessed that we could give, but it has been exceedingly worth it. Thank you for the privilege of investing in your family. Please invest with us in the next few weeks and over the next year as we move into our own house and then make it our home.

With humility and gratitude,

Libby DeLeenheer  
Shawn and Ashley Griesemer
